The value of a personal mission statement, don't have one? Let's get started!

- Participants will develop an understanding of what a Personal Mission Statement is and its values
- Participants will learn what questions they can ask themselves and how to create a mission statement for to serve as a guide
- Participants will learn how to use the mission statement, create action from mission!

*Having a personal or professional Mission Statement can help guide you to make choices with purpose. As recreation professionals, we create missions and goals for our communities, departments, and programs, but often forget the success of those Missions starts with us. "If you don't know where you're going, any road will get you there." – Lewis Carroll*
